

The Twelve Days of Christmas

On the 1st day of Christmas - Check your Christmas light conform to the British Standard

On the 2nd day of Christmas – Never place candles near your Christmas Tree or furnishings – never leave them unattended

On the 3rd day of Christmas – Make sure your family and guests know what to do in an emergency

On the 4th day of Christmas – Decorations can burn easily: Don't attach them to lights or heaters

On the 5th day of Christmas – Never overload electrical sockets. Take extra care with Christmas lights

On the 6th day of Christmas – Celebrate Christmas and New Year safely. The risk of accidents is greater in holiday periods or when alcohol is consumed

On the 7th day of Christmas – Most fires start in the kitchen – never leave your cooker unattended

On the 8th day of Christmas – Take time to check on elderly relatives or neighbours. Make sure they are safe.

On the 9th day of Christmas – make sure cigarettes are completely extinguished before going to bed

On the 10th day of Christmas – check the battery in your smoke alarm every week and use Christmas as a reminder to clean the dust form it

On the 11th day of Christmas – keep candles, lighters and matches out of the reach of children

On the 12th day of Christmas – If you are celebrating with fireworks, store them in metal box, read the instructions and never ever go back to a lit firework.

Keep a bucket of water near.

Keep Safe – Have Fun.....
