

# PARENTAL SUBSTANCE MISUSE

## Level 3 TRAINING WORKSHOP

This forms part of a **2-part course** looking at how parents who misuse drugs and alcohol can affect their children.

### Who is it for?

All DSCP training endorses that safeguarding and promoting the welfare of children is everyone's responsibility. As such, this Level 3 course is relevant for practitioners and managers across the range of Adult and Children's services and is for all practitioners who work with parents, carers, children and young people.

**This Workshop forms part of a 2-part course the E-learning course 'Hidden Harm' is to be completed prior to attending this session.**

### Aim:

For multi-agency practitioners to understand the potential safeguarding issues for children whose parents misuse drugs or alcohol.

**Objectives:** By the end of the session, participants will.

- Be aware of the types and effects of different substances
- Be aware of how this can affect parenting capacity
- Understand the potential effects of living with a parent with a substance misuse issue
- Have shared any tools and local resources available to support these families

### Fees:

This course is free to agencies that are members of the Durham Safeguarding Children Partnership including the Voluntary and Charitable sector. For Private Organisations and there is a charge of £30 per person per course.

A certificate of attendance is only then issued once the course, any pre-learning and the evaluation form has been completed and returned. Participants who do not attend or fulfil the requirements of the training course will be issued with a non-completion fee of £25.

### Confirmation:

Confirmation emails will be sent out within 2 weeks of your application and it is the responsibility of the participant to update their own calendars with course details.

**This Workshop forms part of a 2-part course It is a condition of this booking that the E-Learning course 'Hidden Harm' is completed prior to attending this Workshop. This can be accessed via the MeLearning Platform, see link below:**
