

## Safeguarding & Protecting Disabled Children & Young People Level 3 TRAINING WORKSHOP

**This Level 3 safeguarding course is delivered by Barnardo's giving specific focus on the issues and challenges faced in relation to the abuse of disabled children and young people and our roles and responsibilities to keep them safe from harm.**

**Research shows that children with disabilities are at a significantly greater risk of physical, sexual, emotional abuse and neglect than non-disabled children.**

### Who is it for?

This Level 3 half day course is for staff from any agency that are involved in delivering services to families where there is a child with a disability, or to disabled children and young people in the community.

### Aims:

- To ensure staff recognise the increased vulnerability of children with disabilities and understand how to take forward any safeguarding concerns.

### Objectives:

By the end of the session attendees will:

- Understand the specific area of vulnerability for children with disabilities
- Recognise barriers to safeguarding created by attitudes and assumptions about disability and the families that care for disabled children
- Understand the need for robust links between safeguarding professionals and those working with disabled children and their families.

The completion of this training will support practitioners to evidence their continual professional development.

### Fees:

This course is free to agencies that are members of the Durham Safeguarding Children Partnership including the Voluntary and Charitable sector. For Private Organisations and there is a charge of £30 per person per course.

A certificate of attendance is only then issued once the course, any pre-learning and the evaluation form has been completed and returned. Participants who do not attend or fulfil the requirements of the training course will be issued with a non-completion fee of £25.

### Confirmation:

Confirmation emails will be sent out within 2 weeks of your application and it is the responsibility of the participant to update their own calendars with course details.
