Graded Care Profile 2

MEASURING CARE, HELPING FAMILIES

There's a more effective way to identify neglect

Graded Care Profile 2 is a strength-based tool that helps you assess and measure the quality of care a child is receiving and help you identify when they are being neglected.

Use the tool with families and be quick to spot when child is at real risk.

“100% of staff, who we trained in GCP2, felt better able to assess and analyse neglect.”
